

Rheumatism

The liniment bottle and flannel strip are familiar objects in nearly every household. They are the weapons that have been used for generations to fight old Rheumatism, and are about as effective in the battle with this giant disease as the blunderbuss of our forefathers would be in modern warfare.

Rheumatism is caused by an acid, sour condition of the blood. It is filled with acid, irritating matter that settles in the joints, muscles and nerves, and liniments and oils nor nothing else applied externally can dislodge these gritty, corroding particles. They were deposited there by the blood and can be reached only through the blood. Rubbing with liniments sometimes relieve temporarily the aches and pains, but these are only symptoms which are liable to return with every change of the weather; the real disease lies deeper, the blood and system are infected. Rheumatism cannot be radically and permanently cured until the blood has been purified, and no remedy does this so thoroughly and promptly as S. S. S. It neutralizes the acids and sends a stream of rich, strong blood to the affected parts, which dissolves and washes out all foreign materials, and the sufferer obtains happy relief from the torturing pains.

SSS

S. S. S. contains no potash or other mineral, but is a perfect vegetable blood purifier, and most exhilarating tonic. Our physicians will advise, without charge, all who write about their case, and we will send free our special book on Rheumatism and its treatment.

"Break away!" is a poor command to give to a careless hired girl.
